

Mspace High sleeper bed

The perfect gaming high sleeper studio bed. Solid, robust and with a trendy dark grey+red color that is non-scratch, water repellent, and easy to clean. With a bed sized 120x200cm and a 90kg weight resistance, it is the perfect all-in-one solution. Complete structure made of 25mm board and carbon fiber edgebanding. Fitted with red metal bars, 3 book shelves and matching red staircase. Nonslip bands are supplied, as well as 2 red metal handles. Includes a large desk with a 2 screen capacity or large 50" TV. Desk can be placed in two different heights. Open wardrobe solution equipped with a hanging rail. A red metal hook to hang headsets. The space under the upper bed can be used with a gaming chair, or fitted with a matching multi-function bed base that acts as: full bed, sofa or chaiselong, all in the same collection.
